Notes:

1. The number of AP tests under the "AP Tests of AP Enrld" column includes all tests taken. Some students take more than one AP test for the same AP course. The calculated percentage, however, counts a maximum of only one test per course enrollment.
2. Percentages are not calculated when the total number of records in the data group (or the denominator) is less than 10.
3. English learner and military status data for charter schools and the "All Schools" summary report are not shown due to incomplete data.
