State Exit Code	Description	Dropout	Graduate	Completer	Notes
360	Non-Graduate, Completed Grade 12 Student completed grade twelve but did not graduate or receive a diploma and there is no evidence the student is in an academic program leading toward a diploma or its equivalent.	Yes	No	No	Included under this code are those students who completed four years of high school, have not graduated or received a GED or CHSPE certificate, and are not known to be in an educational program leading toward a high school diploma or its equivalent and whose situation cannot be described more accurately by another of these Exit/Withdrawal codes. Use code 104 for those students who completed grade twelve and did not graduate, but met all state and local graduation requirements, but did not pass the CAHSEE. Student must be reported in Grade 10-12 to use this code.
480	Promoted (matriculated) The student completed the highest grade level offered at a school (excluding high school completion), left the school, and was expected to attend another California public school.	No	No	No	USE BY CENTRAL OFFICE STAFF ONLY.
E125	Special Education, prior completer Student exited a special education transition program and was previously reported as receiving a special education certificate of completion, passing the California High School Proficiency Examination (CHSPE), or passing the General Educational Development (GED) test.	No	No	No	
E130	Student is deceased Student died while enrolled in school or student completed the school year, was expected to return, and died during the summer break.	No	No	No	
E140	Left, no known enrollment Student withdrew from/left school and there is no evidence the student is in an academic program toward a diploma or its equivalent. Includes students who leave school for a job, marriage, etc. <i>Note: Do not use this code for "no shows."</i>	Yes	No	No	Include those students that left school due to pregnancy.
E150	Mid-Year Enrollment Update The student is not exiting the school but the one or more of the following pieces of information about the student is being updated: • Grade level, greater than 14 days before the end of the school year; or • Student School Transfer Code; or • District of Geographic Residence, or • Enrollment Status Code	No	No	No	If the student exited and left the school, use the appropriate exit code. For example: • T160-Transfer to another CA school; or • E155 [YearEndGradeLevelExit] if a grade level exit took place during the last 14 days of the academic year because of summer break or year-end intersession; or • 480 [Promoted/Matriculated] and not E155 if the student completed the grade that is being exited and that grade-level is the last grade offered at the school. USE BY CENTRAL OFFICE STAFF ONLY.
E155	Year-End Enrollment, Exit Same School The student exited a grade level (excluding high school completion) during the last 14 days of the current academic year because of summer break or year-end intersession. This exit code is to be used for students thought to be returning to the school. If the student is completing the school year, but known to be transferring to another school or some other type of exit, use the appropriate exit code (for example T160 Transfer to another California school). The grade level exit at the end of the year indicates only that the student exited the grade level at the end of the year. The student's enrollment for the next academic year may be either a grade-level promotion, grade retention, or grade demotion.	No	No	No	If the student completed the last grade offered at the school, use 480 [Promoted/Matriculated] instead of this code. USE BY CENTRAL OFFICE STAFF ONLY.
E300	Expelled, no new enrollment Student was involuntarily withdrawn from school due to disciplinary action but did not arrive at the educational service institution where they were subsequently referred. Attempts to contact the individual were unsuccessful. Additionally, there is no evidence that the individual is working toward the achievement of a high school diploma, GED certificate, or equivalent.	Yes	No	No	
E400	Unknown Reason Other (reason unknown or not listed in any of the other codes).	Yes	No	No	Use this code if you do not know the reason the student left the school.

The district has received acceptable documentation of this transfer.	No	No	No	This code is also used for students who are involuntarily placed in another school due to disciplinary action. Schools include, but are not limited to Community Day Schools, County Community Schools, Juvenile Court Schools, Opportunity Schools, and California Education Authority Schools. A valid 14-digit CDS code must be provided for the school the student will be attending (receiver school).
T167	Referral to alternative school or independent student program The student was referred by a school and/or school district to enroll in an alternative education school or voluntarily transferred to an independent study program in another California public school in the same district or in a different district for one of the following reasons: - The student was referred or voluntarily transferred to an independent study program for non-disciplinary reasons. - The student was referred by school and/or school district to withdraw from/leave school and transfer to an alternative education school or to a non-alternative education school independent study program for any disciplinary reason except those specified in T165.	No	No	No	Do NOT use this code for: - interdistrict transfers (i.e., formal agreement pursuant to Education Code Section 46600, NCLB public school choice-program improvement, NCLB public school choice-persistently dangerous, district of choice transfers pursuant to Education Code Section 48313). - students who are referred to an alternative education school or independent study program for disciplinary reasons by a juvenile court judge or other correctional or judicial officer or who are expelled pursuant to Education Code Section 48915 (a), (b), or (c). (Use T165)
T180	Enrolled in Private School in California Student withdrew from/left school and the district has received acceptable documentation of enrollment in a private school in California.	No	No	No	This code is also used for students completing the highest grade at a middle/intermediate/junior high and leaving the school to attend a private high school. In this case there is no need for documentation of enrollment in a private school. Also use this code for a student that exits a school and is enrolled in a nonpublic, nonsectarian public school for special education services.
T200	Enrolled in another state Student withdrew from/left school and the district has received acceptable documentation of enrollment in another public or private U.S. school outside California.	No	No	No	This code should also be used for students matriculating from middle/intermediate/junior high to a high school outside of California. In this case there is no need for documentation of enrollment in a school outside of California. Also use this code for students who transfer to U.S. territories. Refer to the CSIS Data Dictionary, Appendix B for a listing of U.S. territories.
